

Front Range Waldorf School

Volunteer Contract

At Front Range Waldorf School, we believe to be able to run a successful school program we need the willingness and support of our parents. Volunteer work helps to spread responsibilities more evenly among the parents and teachers as well as build a stronger sense of community.

As parents of a child or children attending Front Range Waldorf School, I agree to volunteer a total of 50 hours during the school year 2008-2009. If I am a single parent my commitment is decreased to 25 hours. I understand that I can buy back my hours at the rate of \$10.00 per hour at any time during the school year. I also understand that I will be charged \$10.00 per hour for every hour I have not completed by May 25, 2009. This amount will be due by the closing of the 2009 school year. Any paid hours will be considered a tax-deductible donation made to the school. It also currently qualifies for the Colorado State Income Tax Credit for Child Care Centers.
